WORK EXPERIENCE

Filter Digital @ Nike Digital Designer
Beaverton, OR (Remote)

Apr. 2021 - Present

- Responsible for exploration, market repositioning and redesigning of web experience for unique Nike consumers.
- Work with the Consumer Insights team to gather useful analytics to justify any proposed design changes.
- Collaborate with a cross-functional team (art directors, brand strategists, producers and external partners) to iterate designs and strategize on content and digital execution.
- Create user journeys and wireframes for global seasonal campaigns for web, app, and social.

Thinkful UX/UI Design Mentor
Brooklyn, NY (Remote)

Apr. 2021 - Present

- Providing technical and professional support for students with 1-on-1 online video sessions as they progress through their UX/UI designer curriculum.

Freelance/Contract Product Designer
San Diego, CA

Dec. 2020 - Jan. 2021

- I joined a team of contracted designers to create a new web application that connects users to charities across the country. Designed user flows and high fidelity mockups for two types of end users.

BVA UX/UI Designer
San Diego, CA

Apr. 2018 - Sep. 2020

- Led over 12 new and existing brands with content strategy, visual design, and user research within the Shopify eCommerce space.
- Increased a makeup and skincare brand's eCommerce conversion rate by +44% for their "Value Sets" by redesigning and testing a new mobile purchasing flow.
- Increased a jewelry brand's average order value by +13% within the first month of launch by designing a new "Build Your Stack" feature from end-to-end.
- Led multiple content strategies and design presentations to key stakeholders, while validating my designs through user testing, Google Analytics, and insights from client's customer support teams.
- Designed information architectures, flow diagrams, wireframes, and high fidelity UI mockups for a variety of landing pages and custom features.
